AIM

The Triple "C" Course is an advanced course in donation and transplantation for co-ordinators, organized by the European Donation Committee (EDC) of ESOT.

The course aims to provide insight and tools, in addition to existing educational programmes on donation on a local/regional or national level.

TARGET GROUP

The course focuses on Deceased Donor Co-ordinators (DDC), Living Donor Co-ordinators (LDC) and Clinical Transplant Co-ordinators (CTC) with:

- an accomplished basic training in their function,
- a current position as co-ordinator,
- a minimum of three years of experience in the position of co-ordinator.

APPLICATION PROCEDURE

Candidates can apply for a place at this course through the ESOT website www.esot.org. Applicants will be required to submit:

- Curriculum Vitae
- recommendation of a supervisor or chief of department
- statement of good comprehension of the English language
- three assertions related to the topics of the course (communication, risk factors and/or management issues in donation or transplantation).

APPLICATION DEADLINE: March 11, 2010.

Accepted participants will be notified by March 18, 2010.

SELECTION PROCEDURE

The course is limited to 40 participants selected from the three categories of co-ordinators, as defined in the target group. Although the course is open to non-members, priority in the selections is given to ESOT Members.

The allocated number of seats in a given country or region, is determined according to the number of organ transplantations performed in this country or region during the last decade.

ORGANIZATION

The Triple "C" Course will be organized every year, in a different European country, by ESOT in collaboration with the National organization.

The course in Schlangenbad is organized in collaboration with DSO – Deutsch Stiftung Organtransplantation. The course is made possible due to a grant by ESOT.

REGISTRATION FEE

ESOT member	€ 150
NEW members	€ 200 (including 1 year ESOT membership)*
Non- members	€ 250

The fee includes:

- course tuition, 3 nights accommodation
- transfer from/to Frankfurt airport on designated days
- all meals and soft drinks
- certificate of attendance
- * one year of ESOT regular membership for participants applying for membership before or at the time of application

The fee does not include:

- travel cost to/from Frankfurt airport

GENERAL INFORMATION

DATES

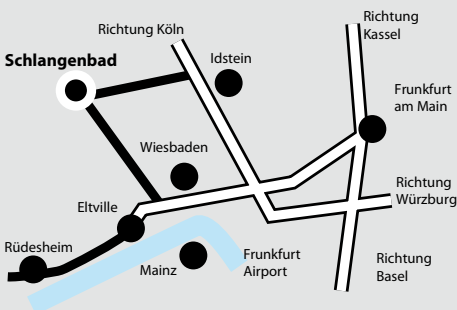

The 1st TRIPLE “C” COURSE will start with Registration and Welcome cocktail on Tuesday, April 6, 2010 and will end on Friday, April 9, 2010 in the afternoon.

LOCATION

With only 940 inhabitants, situated on the edge of the Rhine-Main region, arguably one of the smallest health resorts of Germany, between the lower Taunus and the fertile wine country in the Rheingau. Calm and tranquillity are the characteristic of this location, where nature and climate are exceptional.

VENUE

Parkhotel Schlangenbad
Rheingauer Strasse 47 -65388
Schlangenbad- Germany
Ph. +49 61 29420
Fax + 49 61 29424242
www.parkhotel.net

HOW TO REACH SCHLANGENBAD AND THE HOTEL

A private transfer will be arranged from/to Frankfurt airport to the hotel and vice versa, the journey will take approximately 1 hour. The transfer can be arranged also from Wiesbaden railway station. Participants need to provide accurate details of their schedule. Alternatively you may reach the Parkhotel Schlangenbad:

By car

Take the exit “Schlangenbad” on the “Autobahn” A 66 and follow the signs along route B 260 for 6 km, then a left turn will lead you into town.

By public transportation

From Wiesbaden Hauptbahnhof (central railway station) by bus line 275 (30 minutes ride). Bus stop “Schlangenbad Landgrafenplatz”, the hotel is located at walking distance.

WEBSITE

Further information will be available on: www.esot.org

CONGRESS LANGUAGE

The official congress language will be English. Simultaneous translation will not be available.

AUSPICES

The Triple “C” Course is part of the educational program of the European Society for Organ Transplantation (ESOT) and is financially supported by ESOT.

PROGRAMME

Tuesday, April 6, 2010

18:00	Arrival and registration
19:00	Welcome cocktail
20:00	Opening and introduction of the course followed by dinner

Wednesday, April 7, 2010

PLENARY SESSION

FACTS AND FIGURES: THE EUROPEAN TRANSPLANT SCENE

8:30	Practice of donation & transplantation across Europe
9:00	Organizational aspects of organ retrieval & allocation in Europe
9:30	New European legislation and guidelines

10:00	Coffee break
-------	--------------

PLENARY SESSION

DIFFERENT MODELS OF COORDINATION IN EUROPE

10:30	Deceased donor co-ordination: possibilities & limitations
11:00	Living donor co-ordination: It takes two to tango
11:30	Clinical co-ordination of the recipient: Fine tuning for better results

12:00	Lunch break
-------	-------------

PLENARY SESSION

COMMUNICATION: ART OR SKILL

13:30	Do's and don'ts in communication
-------	----------------------------------

14:00	WORKSHOPS ZOOMING IN ON TYPE OF CO-ORDINATION
-------	------------------------------------------------------

- W1 How to consent for deceased donation?
Discussion about strategies, skills & techniques to obtain consent
- W2 Communication with living donors?
Information on the donor operation, complications, and follow-up
- W3 What do you tell the recipient about the transplantation?
Pro's & con's, coping and long-term outcome

15:30	Tea break
-------	-----------

16:00	Report of the workshops and discussion
17:00	Debate: Best practice in communication
19:30	Dinner

Thursday, April 8, 2010

PLENARY SESSION

FACTS AND FIGURES: THE EUROPEAN TRANSPLANT SCENE

- 8:30** Risk assessment in organ transplantation: Methods & tools
9:00 Transmission of infectious diseases: Fiction or fact?
9:30 Malignancy and transplantation: Hazard or disinformation?
10:00 Coffee break

PLENARY session

RISK FACTORS FOR OUTCOME IN DONATION & TRANSPLANTATION

- 10:30** Effect of accepting marginal deceased donors
11:00 Effect of the marginal living donor
11:30 Effect of marginal recipients of a transplant
12:00 Lunch break

WORKSHOPS ZOOMING IN ON TYPE OF CO-ORDINATION

- 13.30** W4 Possibilities and limitations in deceased donation
 W5 Possibilities and limitations in living donation
 W6 Possibilities and limitations in transplant recipient
15:30 Tea break
16:00 Report of the workshops and discussion
17:00 Debate: Best practice & guidelines of selection
19:30 Dinner

Friday, April 9, 2010

PLENARY SESSION

MANAGEMENT & QUALITY: TOOLS IN CO-ORDINATION

- 8:30** Team management: One for all and all for one?
- 9:00** Management of change: Dare to be different!
- 9:30** How to build a business case
Representative from Corporate

10:00 Coffee break

PLENARY SESSION

FACTS AND FIGURES: QUALITY EXISTS IN TRANSPLANTATION

- 10:30** Defining quality in deceased donation
- 11:00** Defining quality in living donation
- 11:30** Defining quality in transplant recipients

12:00 Lunch break

13:30 **WORKSHOPS ZOOMING IN ON TYPE OF CO-ORDINATION
HOW TO BUILD & AUDIT A QUALITY SYSTEM:**

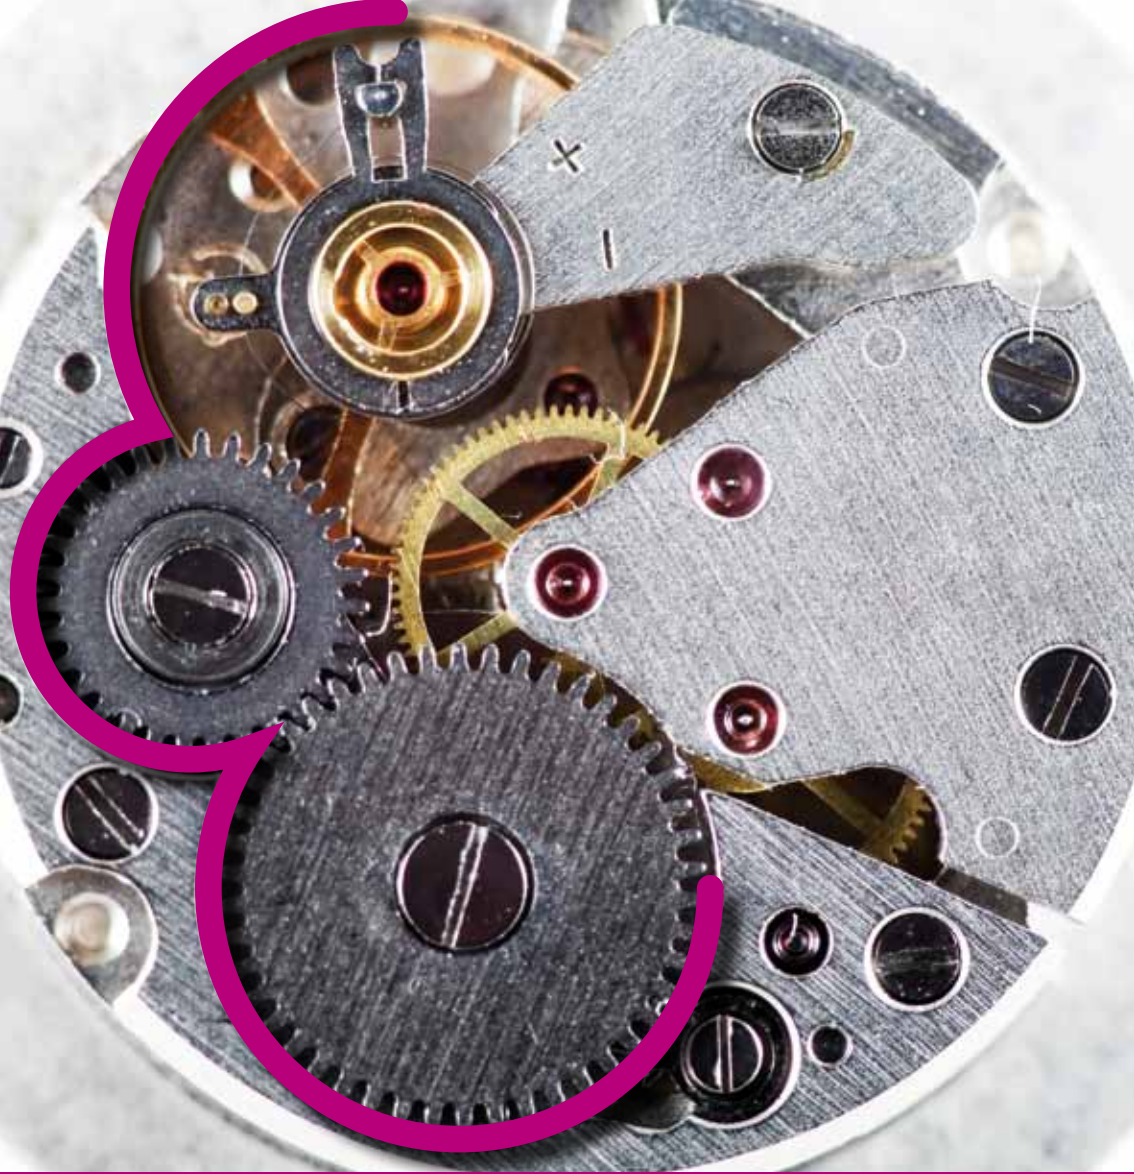

- W7 In deceased donation
- W8 In living donation
- W9 In clinical transplantation

15:00 Tea break

15:30 **REPORT OF THE WORKSHOPS AND DISCUSSION**

Debate: The optimal health care chain in donation and transplantation

16:30 Closing of the course
